

JETS COURSE

The Canadian Jewellers Association (CJA) is proud to offer you the JETS (JEWELLERY EDUCATION TRAINING SYSTEM) program specifically designed for the jewellery industry.

JETS is an intensive program presented digitally in 17 modules and developed by industry specialists. It allows the student to acquire the basic knowledge required to succeed in today's retail jewellery industry. The opportunity to take this course by correspondence allows you to proceed at your own pace. You have **12 months** to complete the course and pass the final exam. Under special circumstances, the CJA can grant a 6-month extension for a \$75+ TAX fee.

Completion of this comprehensive course of study covering the full range of jewellery products, industry issues and sales techniques will award the participant with their *Graduate Jeweller CJA GJ®* designation, the primary step in a jewellery career. This course produces knowledgeable, trained employees who will generate increased sales in any retail jewellery environment. Course discounts are available to CJA members.

The program includes the following modules:

Module 1	Introduction to the Jewellery Business
Module 2	Diamond - Basics
Module 3	Diamond - The Canadian Industry
Module 4	Diamond - Diamond Grading
