

Ivey Business School at Western University, HBA Class of 1967

Jeffrey Allan Chaplin

With deep love, our family shares the passing of Jeff Chaplin. Jeff built a distinguished career in the Canadian jewelry industry, beginning with Peoples Jewelers before founding his own award-winning wholesale and custom jewelry enterprise, serving clients across Canada. In 1988, he established Jeffrey Alan & Associates, Inc., specializing in engagement rings, corporate and sports recognition pieces, and alumni jewelry. A gifted designer and natural entrepreneur, Jeff served six years as a Director of the Canadian Jewellers' Association and spent twelve years as an on-air jewelry co-host on *The Shopping Channel*, where his charisma and deep knowledge made him a beloved presence in homes nationwide. Jeff enjoyed travel and was a devoted car enthusiast. Always ready with a joke, a story, or a warm smile, he never met a stranger. Predeceased by his wife, Fran Ross Chaplin, he is survived by daughters Elyse Chaplin, Ph.D., of Sarasota, Florida, Marni Lennon, J.D., and grandchildren Jordanna and Jared Lennon. Jeff will be remembered for his distinguished career, integrity, kindness, generosity, and the warmth that defined his extraordinary life.
